

## **CLAY SHAW BUTLER GO APE!!!!**

Clay Shaw Butler employees recently took to the skies at Go Ape in Pembrey Country Park, before whizzing down the zip wires to a well deserved meal!!

An exhilarating afternoon was spent climbing rope ladders to reach the tree tops, moving on to the high level crossings, tarzan swings and then scaling down the cargo nets.

The triumphant adventurers return to the day job safe in the knowledge that team spirit was re-energised and determination to overcome their fears on the day ensured that the outing was a success.
