

# LADIES DAY AT FFOSLAS

As part of our Ladies' Social Events calendar, we invited clients and professional contacts to the Ladies Day at Ffoslas recently. It was a fantastic excuse to get dressed up and to mingle with the race-goers. A table was arranged in the Blacksmith's Marquee where we had a lovely buffet lunch together with dessert, and not forgetting the champagne and endless bottles of wine! Our table must have had an abundance of beginners luck on the day with most of us backing winners in a number of races. If only we had bet more than £5 on the horse! We all came away from the glorious day with new friends, all our money intact (and a profit in some cases!) and the excitement for next year's event already building.
